

# FIVE WATERS g u i d e d PROGRAM

*Discover and feel the pure power of nature which connects people in the Bovec region.*

Force, freshness, connection, power and mystery

The tour shall commence at agreed location – a brief introduction will be given describing the geographical, linguistic, and interesting characteristics of Bovec.

Departure to the Kluže fortress – The first water makes an impression with its **FORCE**. A fascinating story about the historical called The Bovec Door takes you centuries back to the past.

Visiting a gothic church – The second water brings **FRESHNESS** and patronage of St. Leonard. The old Roman way to Vienna was full of surprises.

Cross a section of Bovec fields and descending to the third water, which **CONNECTS** the people and the valley – the village of Čezsoča on the left bank is without direct sunlight for 3 months each year, but residents still persevere there.

The fourth water impresses already from afar – the **POWER** of the waterfall is extremely fascinating and its nearby position enriches the experience of the first water's power.

A short break in the Oasis of peace – the grace of the surroundings and a sparkling surprise are waiting just for you.

Departure to the village of Plužna and forward to the place of **MYSTERY**, the fifth water, which calmes you with its silence.

Return and farewell.

The program lasts up to 4 hours and it's suitable for everybody. The price includes guiding, entertainment, and all accessories related to the program. The program can be realized with min. 2 persons, 2 days in advance.
